Contact information for the various clubs run in school by external providers is in the above table. Each provider sets their own fee structure, booking system and term dates. Please contact them individually for more information.

**School Clubs** (run by staff or by external companies on our behalf) will run for **8 weeks** starting in the week beginning **Monday 20<sup>th</sup> January** and ending in the week beginning **Monday 30<sup>th</sup> March**. Please apply using the online form which will open at **6pm on Sunday 19<sup>th</sup> January** and you will be notified if your child is successful as soon as possible and by the end of next week.

If there is a charge for the school run club (Storytelling) then this must be paid via ParentPay before the club begins. Please be aware that school clubs work on a 'first come, first served' basis and therefore we cannot guarantee that every child will be able to join a club. It is important that your child actually wants to join the club that you sign them up for, we are often oversubscribed for clubs and if a child does not attend regularly then their place may be forfeited and offered to another child.

Please ensure that you arrive at school in good time to collect your child from their club at the **published finishing time**. Children who are repeatedly collected late from clubs will have their place withdrawn.
