

INTO FILM

BIG DREAMS ON SCREEN COMPETITION!

STEP 1

Decide your big dream – it could be based on your own personal goals, be totally extraordinary or even be inspired by your favourite Puffin book.

STEP 2

Draw your dream as a storyboard. A storyboard is like a comic strip that tells the director what’s happening in your film. You could use the boxes to draw the beginning, middle and end of your film. Think about where your dream is taking place and what might happen. You don’t have to use all the boxes – the judges will be looking for ideas with lots of imagination!

STEP 3

Send in your entry to puffinschools@penguinrandomhouse.co.uk with Big Dream in the subject line or post to Big Dreams on Screen, Penguin Random House Children’s, 80 Strand, London, WC2R 0RL. Competition closes 3 August.

PUFFIN FILM WATCH LIST 2020!

How many of your favourite films started as a book? This year you can see all these Puffin books brought to life on the big screen – will your film be joining them?
