**This is St Peter's Catholic Primary School's Publication Scheme on information available under the Freedom of Information Act 2000. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.**

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the format in which the information will be made available.

## **1. The Information Available on Request**

This publication scheme covers information already published and information that is to be published in the future. Some information, which we hold, may not be made public, for example personal information. This publication scheme identifies:

- the classes of information which we publish or intend to publish;
- the format in which the information will be made available and
- whether the information is available free of charge or on payment.

## **2. How to Request Information**

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email or letter. Contact details are set out below.
