Safeguarding:

The Governing Body and Staff of St Peter's School are committed to safeguarding children and take their responsibility for this very seriously. In conjunction with this policy the reader is encouraged to read the Safeguarding Policy.

Policy Introduction

This policy sets out the school's approach to promoting equality, as defined within the Equality Act (2010). It covers gender, race, disability, religion or belief, sexual orientation, pupils who are pregnant, undergoing or who have undergone gender reassignment and the school statutory duty to produce a Single Equality Scheme from April 2012. It also has links with our British Values statement.

Our Approach to Promoting Equality

At St Peter's we aim to provide equality and excellence for all in order to promote the highest possible standards. Through the Equality Policy, we seek to ensure that no pupils, staff, parents, guardians or carers or any other person who has contact with the school receives less favourable treatment on any grounds which cannot be shown to be justified. This includes the protected characteristics identified within the Equality Act (2010) i.e. gender, race, disability, religion or belief, sexual orientation, pupils who are pregnant, undergoing or who have undergone gender reassignment. At St Peter's we include ethnicity and language with the above legally-protected characteristics. The principles of this policy apply to all members of the extended school community: pupils, staff, governors, parents and community members.

A Cohesive Community

We are committed to the principles of community cohesion. Within our curriculum and in the breadth of our activities both within and outside the school we explore diversity and celebrate commonality. We aim to:

- promote understanding and engagement between communities
- encourage all children and families to feel part of the wider community
- understand and respond to the needs and hopes of all our communities
- tackle discrimination
- increase life opportunities for all
- ensure learning, teaching and the curriculum explores and addresses issues of diversity

Monitoring, Reviewing and Assessing Impact

This Equality Policy is supported by a Single Equality Scheme. It is linked to the school development plan and includes targets determined by the governing body for promoting equality.

As part of the regular schedule for monitoring policies and other aspects of school life, this policy and the related scheme will be reviewed by Governors annually or when necessary. Any pattern of inequality found as a result of this monitoring will be used to inform future planning and decision-making. The Headteacher provides monitoring reports in the Head teacher's report to Governors and staff on a termly basis.

This policy provides a framework within which all other school policies are implemented.
