## At the end of this school year..

Dear Parents and Children,

What a way to end the school year! The children were amazing this week, managing the heat marvelously with lots of cool activities planned by our staff including a very interesting visit from Fantastic Fred and watching the wonderful Y6 Play.

I would like to take this opportunity to thank you, on behalf of all my staff, for your support this year. St Peter's is a community, a family founded on trust, respect and shared values and never is this more apparent than in the positive memories and kind words that you have shared with me and the staff this week.

I would also like to say a very big well done and thank you to all our children. It has been a pleasure to walk into your classes this year and see you enjoying your learning. It has also been a pleasure to watch you grow and change, from our youngest children who came into Reception unsure and a little nervous and now leave for Year 1 full of enthusiasm, and to our Year 6 children who are ready to take their next steps in the

world as capable, confident young people.

To our Governors, thank you for your time, support and challenge this year. As a leader, I am very pleased to work with a group of people who, have the best interests of the children at heart.

Thank you also to our fantastic FOSP. The time that you give supporting school events creates a wonderful sense of community in our school. Your invaluable financial support also enriches the children's learning in many ways,

I would also like to thank all my staff, especially those who are leaving us for pastures new, for their hard work and dedication this year.

We had a very emotional assembly this morning where we said goodbye to Mrs Shabankareh, Mrs Hartfield, Miss Devlin, Mr Tredger and Miss Joslin, sending them off with our best wishes for their future adventures.

We also said congratulations to Miss Bartle, who is getting married during the summer holidays. We send her, and her

fiancé George, all our best wishes as they embark on this exciting new life together. In September, Miss Bartle will be known as Mrs McWilliams.

Tara, our school chef is also getting married this summer and we send her and her fiancé our warmest congratulations also. In September, the children can call her, Mrs Tara!

I would like to welcome Mrs Peart, who is an experienced teacher, to our teaching team. She will be sharing Rowan Class with Mrs Williams and teaching on Fridays.

I look forward to seeing everyone back at school on Monday 5th September, relaxed and refreshed after the summer holiday.

Have a wonderful summer break.  
Yours sincerely,  
**Richard McKenzie**  
Headteacher

## Farewell and thank you Year 6

On Wednesday evening, we welcomed our Year 6 children and their families to a special Leavers Mass to celebrate their remarkable achievements. These occasions are often sad and emotional; however, they are also a time for joy and celebration as we reflect on the journey of our pupils and look forward to the journey that they are all about to embark upon as they move into their new secondary schools.

Our Year 6 children are an amazing group; not just in their academic or sporting achievements but in the way they have demonstrated our Gospel Values of respect, resilience, tolerance, understanding and responsibility. They are a credit to themselves, their families and our school and we would like to wish each of them every success in the future.

# Active Summer Challenge

## Active Summer Challenge

Over the summer there are going to be a number of fantastic sporting events, including the UEFA's Women's EURO 2022 to the Commonwealth Games in Birmingham. To celebrate these events, all children are invited to complete the Active Summer Challenge.

The Active Summer Challenge aims for children to be active every day by setting their own pledge and taking part in the six weekly challenges. Use the pledge tracker to write down the pledge and record what activity takes place every day.

You can download the pledge tracker and activity pack for children in Year R-2 [here](#).  
You can download the pledge tracker and activity pack for children in Y3-5 [here](#).

Don't worry if you miss a day, the most important thing is that your child is keeping active during the holidays. Once children have completed their pledge and the challenges, please hand the pledge tracker to your class teacher. There will be a certificate for all children who complete the challenge.

## Fantastic Fred Workshops

### FOOD

Eating the right foods

### REST

### EXERCISE

Being active

### DEVICES

Managing time on digital devices

Fantastic FRED and the professor will deliver a series of entertaining experiments and demonstrations in an interactive and memorable way. The performance will include facts and examples of why the human body is fantastic and practical tips on how to maintain good mental health. Adapted for both Key Stage 1 and 2 age groups, the performance is suitable for primary school children in Reception and Years 1 to 6.

F.R.E.D is an acronym for the four practical ways in which children can look after their own good mental health.

They produced a video to help children share with parents and guardians the important messages of FRED. The video is a summary of what the children have learnt and helps to communicate the messages in a fun and engaging way so that the children's learning can carry on at home too. You can watch and share the video here: [www.thefantasticfredexperience.com/for-parents-guardians](http://www.thefantasticfredexperience.com/for-parents-guardians)

DURING THE SUMMER HOLIDAYS!

Choose from our cold pick & mix selection or hot favourites!

**ASDA**

Kids across England and Wales can eat for just £1 at any time of day in Asda Cafés, seven days a week, with **no minimum adult spend required**. To help tackle holiday hunger at a time when the cost-of-living is higher than ever, children aged 16 and under can access a hot or cold meal for just £1. An Asda spokesperson said:

“We know that families can find the summer holidays tough, and our customers are telling us that this year more than ever, they’re concerned about holiday hunger. With that in mind, we are so pleased to be able to offer children’s meals for just £1, with no minimum adult spend, to ensure that those who would normally rely on a school meal aren’t left without.”

**The Kids Eat for £1 initiative is available all day, every day from 25th July until 4th September in England and Wales**, as long as the Café is open and dependent on the store, a hot meal or cold meal, or both, will be on offer. Baby food is also available as part of the initiative, with little ones able to enjoy a free pouch of Ella’s Kitchen baby food (70g pouch) in their local Asda Café. You can find your nearest Asda café, wherever you are in the UK, [here](#).

During the summer holidays, children aged 16 and below can get one free meal with every adult meal. In addition, every day from 3pm Morrisons discounts their daily special meal to £4.99, meaning a parent and child can be fed for less than £5.
