

Year 6 Spring Term Overview 2024

Writing

We are beginning the term by exploring the famous poem 'The Highwayman' to inspire our own poetic writing. Later on we will be using our class-reader 'Letters from the Lighthouse' to influence further writing.

Maths

We will be continuing our learning using White Rose Maths, this term. This will begin with algebra, before continuing onto decimals and percentage.

RE

We will be continuing to follow our RED learning, this term. Our learning now moves on to the New Testament and we begin by exploring the miracles within John's Gospel.

Reading

This term we are reading 'Letters from the Lighthouse' by Emma Carroll. This historical novel is beautifully written and will allow us to explore our comprehension skills further.

Science

Our first topic of this term is Evolution and Inheritance. This includes examining the work of Charles Darwin and different adaptations.

Year 6 Spring Term Overview 2024

History

After Half Term we will be learning about World War Two in Britain.

Geography

Our geography topic this term is all about energy. We will be learning about fossil fuels and renewable energy sources.

Art and DT

We will be creating sculptures this term – a project that combines our art and design technology learning.

PE

We will be playing, and learning the skills for, a range of team sports this term – beginning with dodgeball.

Computing

At the beginning of this term, we will begin our learning on programming. This will involve using Scratch on our Chromebook.
