St Peter's News

This week in school...

Dear Parents and Children,

Our school week started with the next two of our school rules—we discussed being honest and respectful in our Values assembly this week.

The children enjoyed our Virtual Science workshop all about engineering and I think that we may have some of our future engineers here at school!

It was great to see so many parents who joined our online information meeting from the Breck Foundation. I know we found that it gave us a lot to think about and consider, both as teachers and for those of us who are also parents. Please do watch the recording that was sent via parentmail, but remember the content is not suitable for children.

The workshops that were provided for the children were very well received and your children did themselves proud in terms of behaviour, engagement and respons-

es.

Year 4 were absolute superstars at Our Lady and St Peter's where they went for mass today as part of their Mission week. Miss Shaw said that they set a fantastic example and were wonderful ambassadors for the school. Well done Year 4!

It was such a shame that the football matches were cancelled because of the weather this week. These will be rescheduled as soon as possible, as long as the rain stays away!

We look forward to seeing some of you at parents' evening on Monday.

We wish you a happy and safe weekend.

Kind regards,
Mrs Kelly and Mrs Hall

From Sunday's Gospel...

This coming Sunday we celebrate the **Feast of Christ the King Matthew 25:31-46**

In this week's gospel Jesus tells us that he is in all people, and that when we help others or treat them badly then we are doing the same to him. Please take time to read the Gospel with your child.

Christ Jesus, help us to see you in every one of our brothers and sisters around the world. Inspire us to treat those who are hungry, thirsty, lonely, sick or in prison as we would wish to be treated. Amen.

Winnie has had a couple of days not in school this week because of parents evening but she has loved hearing the nativity rehearsals from KSI and Reception and has been very impressed with the improvement in behaviour she has seen around the school!

Announcing St Peter's Science is all around us! Photography competition

Take a picture of something scientific that really fascinates you! It could be something you see in nature, a mini beast you've spotted, bread dough rising, the seesaw at the playground. email to

Christmas lunch setup volunteers 13th and 14th December

We will be looking for Christmas lunch volunteers - if you are able to help setup on either day - please get in touch with your rep. We have places to set and crackers to lay!

Your school needs you!

Sometimes we might need to reach out to our school community for a little bit of extra help. If you feel you can help with any of the following please contact Mrs Hall.

- * Our guinea pigs, Pumpkin and Spice need a new hutch! If you know of anyone who is wanting to get rid of one please let us know!
- * Do you have some skills and expertise with ponds? Do you have time to spare? We would very much appreciate someone or even a team to come and do some pond maintenance! This would mostly involve cutting back the vegetation.
- * Our playground furniture is in need of brightening up! If you can spare some time to paint and varnish our benches we would be so grateful!
