

Mole Valley Family Centre

Who's in Charge?

Who's in Charge? is a child to parent violence (CPV) programme aimed at parents whose children are being abusive or violent toward them or who appear out of parental control.

We aim to help parents and carers to understand that children's challenging behaviour is multi-causal, and we explore the nature of violence, styles of parenting, entitlement & power and the social changes that make CPV more likely.

Date

Tuesday 3rd October for 8 weeks (1 week break for half term)
