## 1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share a relevant protected characteristic
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it. The protected characteristics are:
  - Age
  - Disability
  - Gender reassignment
  - Marriage or civil partnership
  - Pregnancy and maternity
  - Race
  - Religion or belief
  - Sex
  - Sexual orientation

Our school aims to promote respect for difference and diversity in accordance with our values.

## 2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#), the [technical guidance for schools from the Equality and Human Rights Commission](#) and [guidance from the Government Equalities Office on meeting the specific duties that support the Public Sector Equality Duty](#).

### 3. Roles and responsibilities

The governing board will:

- › Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents/carers
- › Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years
- › Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

The equality link governor is Victoria Cannizzaro. They will:

- › Meet with the designated member of staff for equality every [frequency], and other relevant staff members, to discuss any issues and how these are being addressed
- › Ensure they're familiar with all relevant legislation and the contents of this document
- › Attend appropriate equality and diversity training
- › Report back to the full governing board regarding any issues

The headteacher will:

- › Promote knowledge and understanding of the equality objectives among staff and pupils
- › Monitor success in achieving the objectives and report back to governors
- › Have "due regard" when making a decision or taking an action to whether it may have particular implications for people with particular protected characteristics

The designated member of staff for equality will:

- › Support the headteacher in promoting knowledge and understanding of the equality objectives among staff and pupils
- › Meet with the equality link governor every term to raise and discuss any issues
- › Support the headteacher in identifying any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

### 4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings. Where this has been discussed during a meeting, it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September.

The school has a designated member of staff for monitoring equality issues, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

## 5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- › Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- › Taking steps to meet the particular needs of people who have a particular characteristic
- › Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- › Publish attainment data each academic year showing how pupils with different characteristics are performing
- › Analyse the data referenced above to determine strengths and areas for improvement, implement actions in response and publish this information
- › Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- › Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

## 6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- › Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- › Making pupils aware of our behaviour and anti-bullying policies
- › Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies, and we will also invite external speakers to contribute
- › Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- › Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- › We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

## 7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made. We consider equality implications before and at the time that we develop policy and make decisions and continue to review these on a continuing basis.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

## 8. Equality objectives

As a school, we are required to publish equality information every year: We must report on at least 1 equality objective once every 4 years – we've chosen summer 2029 to be our deadline for this

The school has a committed approach to diversity, equity and inclusion, whereby all pupils', staff and governors are supported to feel psychological safety whilst at this school. We will take the required steps to identify all areas of diversity within our school and ensure that there is an equitable approach that leads to a sense of belonging for all.

- We will actively encourage positive attitudes towards pupils and staff and expect everyone to treat others with dignity and respect.
- We expect that all staff will be role-models for equal opportunities, deal with bullying and discriminatory incidents and be able to identify and challenge prejudice and stereotyping.
- We will make reasonable adjustments to ensure the school environment and its activities are as accessible and welcoming as possible for all pupils, staff, and visitors to the school. We will provide further training for all staff to ensure there is a clear and explicit understanding of diversity, equity and inclusion.
- We will collect and analyse information about protected characteristics in relation to staff recruitment, retention, training opportunities and promotions to ensure all staff have equality of opportunity. We will not ask health-related questions to job applicants before offering a job, unless it relates to an intrinsic function of the work they do. We will make reasonable adjustments such as providing auxiliary aids for our disabled staff.
- We will ensure pupil/parent/staff consultation is regularly sought in the development and review of this policy.
- We will regularly seek the views of pupils, parents, advisory staff and visitors to the school, to ensure that the school environment is as safe and accessible as possible to all school users. We will regularly review our accessibility plans.
- We will regularly adapt and develop the curriculum provided to ensure it is reflective of the individuals in our school, and reflective of the world around us by providing diverse opportunities both within the classroom and in additional learning opportunities.
- We will take reasonable and necessary steps to meet pupils' needs by using a variety of approaches and planning reasonable adjustments for disabled pupils, enabling our pupils to take as full a part as possible in all the activities of the school. We are also committed to ensuring staff with a disability have equality of opportunity.
- We will take reasonable and necessary steps to meet pupils' and staff's needs by using a variety of approaches and planning reasonable adjustments in relation to the area of need identified. This includes:
  - enabling our disabled pupils to take as full a part as possible in all the activities of the school.
  - ensuring staff with a disability have equality of opportunity.

- supporting all staff and students with neurodiversity in accessing documents, learning and training
  - ensuring alternative provisions are available to those with varying expressions of gender
  - enabling staff and students the necessary space and time required to practice their religion
  - supporting staff with medical conditions (including those related to pregnancy or age)
  - giving fair consideration to staff and students in situations such as requiring time off for marriage or civil partnerships
- Staff will ensure the curriculum is accessible to all pupils with special educational needs and disabilities (SEND) or those for whom English is not their first language. Auxiliary aids and services will be provided for them, where reasonable adjustments are required. By planning, staff will ensure that all pupils are able to take part in extra-curricular activities and residential visits, and the school will monitor the uptake of these visits to ensure no one is disadvantaged on the grounds of a protected characteristic.
  - Bullying and Prejudice Related Incidents will be carefully monitored and dealt with effectively. Regular training will be given to both existing and new staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying on CPOMs.

## 9. Monitoring arrangements

The headteacher will update the equality information we publish at least every year.

School-specific equality objectives will be reviewed by the governing board at least every 4 years.

This document will be reviewed by the headteacher annually, to ensure continued compliance with the PSED.

This document will be approved by the governing board.
