KS2 #ThankYouNHS competition

Dear Parents/carers,

Last week marked the 200 year anniversary of Florence Nightingale's birth, the founder of modern nursing. Nursing, along with many other professions in the NHS, form a crucial part of the health service in this country, which undoubtedly deserve our gratitude for their support, care and dedication - not just during these unprecedented times, but always.

Therefore, here at St. Peters, we would like to invite your child(ren) to take part in the above competition. The organisers are asking for any sort of creative entry - such as a collage, painting, poem, story, drawing, video, temporary street art, thank you card, song, dance - deemed by the judges to have said 'thank you' to the NHS, in the most engaging way.

They are looking for evidence that entries are: aware of a range of careers and services in the NHS, an awareness that these roles can challenge stereotypes, have reflected on which job or team they want to thank, as well as having strived for a creative and eye-catching entry that demonstrates they have gone that extra mile with their work.

Some of the home learning set by your child's class teacher this week, will aim to support their knowledge and understanding of the NHS - in turn, assisting them with their entries. In addition, a video link, brief PowerPoint and PDF are enclosed, to offer further guidance and support with competition entries.

Each submitted entry will receive a certificate. One entry, per Year 3, Year 4, Year 5 and Year 6 class, will also be awarded an additional prize from St. Peter's, for their efforts. All entries will then be in with a chance of winning a regional or even national level prize! Schools will be notified in due course, of any regional or national winning entries.

The deadline for the school to submit entries is Friday 19th June. Therefore, if your child wishes to enter they **should submit their entry to Miss Moon by Friday 12th June, at the very latest.**

Due to the current circumstances, only **online entries** are being accepted by the competition organisers. Therefore, your entry will need to be electronically sent over email to helen.moon@stpeters-leatherhead.surrey.sch.uk in the form of an attached document, picture, pdf, video etc. **Please note: individual files cannot exceed 50MB.**

IMPORTANT: as part of the competition 'terms and conditions', parents and carers **need to be aware of and agree** to the following point, **before** any submissions are made to Miss Moon:

Health Education England reserves the right to reproduce and utilise in whole or in part the entries submitted by pupils for information, publicity and promotional purposes.

By entering, each school agrees to secure parental agreement and authorises the use of names and addresses of the establishment to which it belongs and the names of participating teachers and pupils in any information, publicity or promotional activity linked to this competition.

Entering this competition implies full and complete acceptance of these terms and conditions of which entry instructions form a part.

The full terms, as well as further details, including issued prizes, can be found at:

https://www.stepintohenhs.nhs.uk/primary-schools/KS2-competition?dm_i=5EPN,6ZOD,1ISOBI,QSMP,1

Any submission received by the school will be done so on the basis you have read, understood and accepted these terms.

If you have any further queries or questions, please do not hesitate to contact me on the email provided.

Best wishes to you all - and good luck with the competition!

Miss Moon
