## This week in school...

Dear Parents and Children,

Our week started with a thoughtful assembly as part of our Anti-Bullying fortnight. We thought about how we should always act with kindness and we have certainly seen many examples of this as we walk around the school.

Year 4 had a wonderful trip to Brooklands Museum on Monday—the rain did not dampen their spirits and we heard how wonderfully behaved they were! Thank you to all the staff who attended and to Miss Shaw and Mrs Khanna who organized the trip.

Two of our wonderful trumpeters led the school in a 2 minute silence on Tuesday as part of our Remembrance day acts. We look forward to hearing how much money has been raised from our Poppy selling. Thank you to Year 6 for all of their wonderful efforts with this.

The swimming gala was another fabulous success, with all children swimming so well and it was won-

derful to have come 3rd! Thank you to Mrs Davies, Mrs Roberts, Mrs Khanna and Miss Shaw who accompanied the children. Well done everyone!

We hope that our Year 5 and 6 parents have found our information meeting on Tuesday useful. Please do let us know if you have any concerns, queries or questions.

A huge well done to Theo in Birch today. To mark World Diabetes Day he presented information about the condition and was very eloquent and knowledgeable. He even answered lots of questions. Well done Theo!

We look forward to seeing you at the Parents' evening next week and wish you all a happy and healthy weekend.

Kind regards,  
Mrs Kelly and Mrs Hall

## From Sunday's Gospel...

### Thirty third Sunday of Ordinary Time Luke 21:5-19

Today Jesus warns us that life will be difficult. The world will face wars and disasters, but we mustn't lose hope. We must trust in God who will guide and save us.

All-powerful God, nothing is greater than your love, so may we trust in you, no matter what difficulties and challenges we face. Amen

Winnie has loved her walks with children this week—though it has been a bit muddy!

# PINS COFFEE MORNING

Friday 28th November  
at 9 a.m.

Join us for a special Coffee Morning hosted by the Partnership for Inclusion of Neurodiversity in Schools (PINS) Project Team

This is a wonderful opportunity to:

- ✓ Meet the PINS Team
- ✓ Hear about the exciting work we're doing to support children with SEND
- ✓ Share your ideas and experiences as a parent
- ✓ Connect with other families and staff

We're delighted to announce that a representative from education and health will also be attending to learn more about how we engage and support our parents and community.

Come along, enjoy a coffee, and be part of this exciting event! We'd love your involvement and input.

## Request for help

Every first Friday of the month, for over 15 years St Michael's Church has been hosting a charity soup lunch under the dedicated supervision of Caroline Fitzherbert and a team of staunch ladies who supply food and assistance on the day. There is also a group of men who set up tables and assist with front of house.

Caroline decided in September that she had come to a point where a fresh team was required but despite appeals there have been no takers. Sadly we are in sight of the event falling out of St Michael's' social calendar - the last event will take place in December.

Over the years we have seen an average of around 60 attendees per month, mainly the older generation, who will greatly miss this fixture which has raised an astonishing £54,000 in support of national and local charities.

If you would be interested in getting involved in heading-up, or being part of a new team, please make contact with Rocio at the church office

## Morning Nature Scavenger Hunt!

Next week, our Reception and KSI children are invited to take part in a **Nature Scavenger Hunt** on their way to school! As they walk, scoot, or ride in, we encourage them to look out for the wonderful signs of nature all around us — from chirping birds and colourful leaves to tiny insects and interesting shapes in the clouds.

This activity is a lovely way to start the day **mindfully**, helping children notice and appreciate the beauty of their environment while developing their curiosity and observation skills.

Don't forget to chat about what you discover together — you might be surprised by how much there is to see right outside your door! Please return completed sheets to your child's class teacher   

## Xavier Trust Governance Professional
