## This week in school...

Dear Parents and Children,

Our wonderful Wellbeing Ambassadors launched Children's Mental Health Week on Monday with an assembly where they talked about how we can look after our own mental health as well as supporting each other. Thank you to Mrs Walsh, who works with them and helped them to organize this assembly.

The special (shorter for some!) week has continued with activities in class such as drawing pictures of their "happy places".  
"school"  
"home"  
"on the football pitch"  
"at my grandparents' house"  
"at swimming class"

Looking after their wellbeing and mental health was also a focus for our Safer Internet Day on Tuesday. Children were reminded of their e-safety lessons and how to stay safe online. We appreciate your support with this from home as we work in partnership on this important issue.

## From Sunday's Gospel...

**Sixth Sunday in Ordinary Time**

**Matthew 5:17-37**

We are all God's children and we are all part of one big global family. Today we hear about how we must not argue with our brothers and sisters and how, if we do, we need to make peace with them

Loving God, when we do wrong and hurt others help us to be brave and say sorry. Help us all to live in peace together.

Thank you to all the children who have entered the WOW badge competition-we will be looking at the entries over half term and are going to find it very difficult to only pick 3 to send!

It was so fabulous to see the bikes and scooters in all their glory on Wednesday - balloons, streamers, tinsel and even a hedgehog!

We hope that there are many happy places and times for you and your families to enjoy this half term break and we look forward to seeing everyone return on Monday 23rd February for a short but busy Spring 2 half term!

Wishing you all a very happy and healthy break.

Kind regards,  
**Mrs Kelly and Mrs Hall**

Over the weekend, William Barham took part in Reach for the Stars, a county-wide Scouts challenge for Beavers that encourages them to try new activities and work towards additional badges beyond their weekly meetings. William embraced the challenge with great enthusiasm, completing a wide range of activities including baking flapjacks, planning and carrying out a woodland exploration, designing and building a futuristic spaceship, and even creating a planter from a tin and clothes pegs. Through his hard work and determination, he earned an impressive six badges. As the only Beaver from his group to take part, his achievement is even more special. Both we and his Beaver leader are incredibly proud of his effort, creativity and commitment.

## Community Action Day— your school needs you!

**Saturday 28th February** we will be running a Community action day to tidy up the pond and forest area.

Please lend us your time, if only for an hour or two and come.

Please contact **Mrs Hall** if you are able to help:
