**Wednesday 12 May 2027:** Mathematics — Paper 1 (Arithmetic) and Paper 2 (Reasoning)

**Thursday 13 May 2027:** Mathematics — Paper 3 (Reasoning)

## Scaled scores are given for:

- Grammar, Punctuation and Spelling (combined)
- Reading  
Maths (combined)

The range of these scores is 80 to 120.

### A scaled score:

**Below 100** means your child is **working towards** the expected standard

**Above 100** means your child is **working at** the expected standard

**Above 110** means your child is **working above** the expected standard

We will support your child to be ready.

- Class teaching
- 1:1 conferencing
- Group work and interventions
- **Homework and CGP Revision Books**
- Booster and challenge clubs before or after school

# Secondary School Admissions

- ✓ Applications are open.
- ✓ You can choose up to six places.
- ✓ Check whether any of the schools need you to fill in a Supplementary Information form. If you do not fill this in for the relevant school your application may not be placed in the correct criteria for your child.
- ✓ Visit the schools you are interested in during the day as this gives you and your child a genuine and real impression of the setting in action. Please let us know in advance of the appointment you have made.
- ✓ **We are hosting a further information session about this on Tuesday 22<sup>nd</sup> September at 6pm in the Hall.**

**Closing Date: 31<sup>st</sup> October 2026**

**Notification of Places: 2<sup>nd</sup> March 2027 – Accept the place you are given, even if it is not the school you want. You will be able to go on the waiting list or appeal. If you decline you fall out of the system.**

## **Homework:**

**English:** English homework will be given out every Friday and due in the following Wednesday ready to mark and address any misconceptions together. It is really important that the children meet this deadline to maximise the impact of the homework learning.

**Spellings:** Children will get a spelling list each Friday to revise for a test the following week on Friday morning.

**Reading:** Your child should be reading every night and record the pages they have read in their planner. Please ensure your child brings their reading book with them to school every day, as there will be opportunities for them to read to an adult during the school day.

**Maths:** Maths homework will be given out every Friday and due in the following Wednesday ready to mark and address any misconceptions together. As with the English, it is really important that the children meet this deadline to maximise the impact of the homework learning. This will alternate between consolidation of Maths objectives they have covered that week or arithmetic.

**Extension activities** – Your child will have a suggestion sheet of extension activities. These are optional but we encourage your child to work through the activities to further their learning.

The children are expected to return the homework in the named folder provided each week. Please look after your homework folder. The children must bring their planner into school every day as this is essential for their preparation for secondary school.

**Late homework:** If children forget their homework, then they will be asked to complete the homework at break or lunchtime with their class teacher.
